VERSION:

E. GENERAL VARIATIONS OF COMPULSORY LICENSE PROVISION:

You have advised us, in our capacity as agent for the publisher(s) referred to in (B) supra that you wish to obtain a compulsory license to make and to distribute digital phonorecord deliveries (as defined in Section 115 of the Copyright Act, herein referred to as "DPDs") of the copyrighted work referred to in (A) supra under the compulsory license provision of Section 115 of the Copyright Act. The provisions hereof vary the terms of the compulsory license provision of the Copyright Act applicable to DPDs.

Upon issuance of this license, you shall have all the rights which are granted to, and all the obligations which are imposed upon, users of said copyrighted works under the compulsory license provision of the Copyright Act, after phonorecords of the copyrighted works have been distributed to the public in the United States under the authority of the copyright owner by another person, except that with respect to DPDs thereof made and distributed hereunder:

1. In consideration of the limited quantity of DPDs authorized hereunder and limited license term of one (1) year, and, upon your requesting this license, your nonrefundable payment to agent for and on behalf of said publisher(s) of the full royalty fee set forth in (C), supra you need not otherwise pay royalties or account to us as agent. This license shall automatically be deemed null and void and of no effect if agent fails to receive timely, valid payment of all fees due with respect to this license.
2. This compulsory license covers and is limited to one particular recording of said copyrighted work as performed by the artist and on the phonorecord identified in (C) and (D) supra and this compulsory license does not supersede nor in any way affect any prior agreements now in effect respecting phonorecords of said copyrighted work.
3. You need not serve or file the notice of intention to obtain a compulsory license required by the copyright act.
4. Additional provisions are reproduced under (D) supra.
